Also some summer staff have already started with more on the way over the next weeks. Please keep an eye out throughout the village at all times to ensure our staff's safety and say "Hi!" as you pass them through your day.

Have you removed your land line or changed cell numbers? Would you like to be on our email list to receive vital Village updates? Do you prefer electronic bills and receipts? Please take a moment to update the contact information we have for you and return this form either by email, mail or in person to the office.

Collection calendars can be obtained online or by stopping in the office. As per Bylaw 8-14, collection bins are assigned per property.
