

FIRE DEPARTMENT

Our contributions to the Regina Beach Fire Department, supports not only equipment, but also the volunteers who provide this critical service to our communities

- Regina Beach has ordered a new pumper truck with delivery projected for June of 2027
 - All IMUC partners have been contributing over time to a reserve fund, however, there is still a shortfall of approximately \$200,000. This shortfall will need to be shared among the participating municipalities, including Buena Vista. We are expecting this cost in the 2027 budget.
- The Fire Department has begun plans of building a fire hall expansion for the new truck. The plan is for it to be funded by donation and constructed with Regina Beach Fire Department as the general.
- The department is fortunate to have a dedicated group of volunteer firefighters

WASTE MANAGEMENT SITE

- The Village pays a fixed annual payment of \$35,000 toward the Waste Management Site (landfill)
- The new payment model provides cost predictability for the Village, helps maintain cooperation, & resident access.
- The waste management site remains operational until at least 2027 but may face shutdown or decommissioning due to evolving government regulations. There is potential to open another cell & the other option is a transfer station.

LAGOON

- Buena Vista contributed to the capital cost of the new lagoon that was built in approximately 2018
- This shared approach allowed us to access the lagoon without having to build our own at a cost of over \$4,000,000
- As part of the agreement, we are currently making monthly loan payments to Regina Beach for that capital cost – the total principal amount contributed was \$950,269 with monthly payments over 20 years with interest takes the total to \$1,367,114

LIBRARY

- Regina Beach rents space in the Last Mountain Lake Cultural Centre for the library
- Many children & adult programs offered
- The library is more than just books – it's a place where community connects, learns & grows. Volunteers play a vital role in keeping the library running smoothly & they are always looking for volunteers to lend a hand. If interested, stop by the library or contact them at 306-729-2062 or reginabeach@southeastlibrary.ca

EMERGENCY MEASURES ORGANIZATION (EMO)

- Responsible for planning, coordinating & overseeing emergency preparedness & response efforts for Regina Beach & Buena Vista.
- In the event of a crisis, the EMO ensures that the response is well-coordinated, efficient & focused on public safety.
- Arnold Buehler is the new EMO Coordinator and has been working on updating the plan

PARKS & RECREATION

- The Town terminated the Recreation IMUC agreement in 2024. This means that the Village is no longer contributing financially to that service.
- Village residents can still participate in any of the programming offered by the Town's Recreation department.
- Visit the Town's website for information on programs

Regina Beach Cemetery

- This is our second year in an agreement with the cemetery. This now means that residents can purchase plots at resident pricing instead of non-resident pricing, saving a substantial amount of money.
