WEEKLY GARBAGE COLLECTION RESUMES

As of April 29, our weekly garbage collection has resumed. Reminder also that recycling days are now Fridays. As always, please have your bins out by 7 am and placed back on property by end of collection day.

WATERMAIN FLUSHING

Annual spring watermain flushing is tentatively set for May 9 and 10. During this time, you may notice a drop in water pressure and some discoloration. Limit usage while flushing to prevent drawing sediment into your lines. If discoloration occurs, simply run your cold water tap after we are done flushing in the area and it will soon run clear.

DUST CONTROL

Watch for information on our upcoming dust control. Application is tentatively scheduled for the week of May 13 – 17, weather permitting.

STANDARD WATERING RESTRICTIONS NOW IN EFFECT
