Dear Melissa;

Congratulations! The Board of Examiners has approved your application for an Urban Conditional Certificate. This certificate is valid providing the conditions attached to it are adhered to as follows:

- you must have a qualified mentor in place for a minimum of 1800 hrs
- must complete the LGA program or equivalent education
- This certificate is restricted to your current employer (Village of Buena Vista)
- You must have an office inspection prior to applying for your Standard Certificate
- **This certificate is valid until May 30, 2025. You must provide the Board with proof of successful completion of some of the educational requirement by May 30, 2025. If this proof is received your Conditional certificate may be extended to May 30, 2026**
- **If your mentor situation changes at any point during this time you must notify the board.**

I am pleased to enclose: Conditional Certificate #CD-689

You may apply for your Standard Certificate when you meet the qualifications as outlined on the application form; however, this should not be later than 3 months prior to the expiry date of your Conditional Certificate. **Please contact the secretary of the Board of Examiners when you are ready to have your office inspection & they will arrange it.** The fee for the office inspection is \$400 plus travel expense for the inspector.

The Urban Municipal Administrators Association of Saskatchewan (UMAAS) and The Saskatchewan Municipalities Association will be kept informed of the status of your certificate.

The Urban Board of Examiners wishes you success in your career in Municipal Administration.

Yours truly,

Brad Hvidston  
Secretary

RE: Road Reconstruction

---

This letter is intended to provide pricing for construction phase 1 from the end of Town of Regina Beach property on Rge Rd. 2222, approximately 200m south of Highway #54 to Twp 212 – Rge 2230. Attached is JRA Quotation 20240501. The terms and conditions under which we have agreed to provide our services are as follows:

1. JRA will provide our road construction services commencing effective when road bans are lifted or such other date as may be agreed to between JRA and the Owner and will continue in the provision of our services on a daily basis until the required road construction services have been completed. Schedule will not be pushed through weekends or statutory holidays.
2. Clay borrow pit material costs would be provided by the Owner. Access roads to and from the borrow pit to the construction site will be responsibility of the Owner.
3. That the estimated unit cost associated with the supply of a Kobelco ED195 Bladerunner excavator with roto-tilt bucket(one operator);1 crew truck; and a three tandem axle dump trucks.
4. In those instances where the equipment and JRA personnel are on site, but the work is delayed by the Owner, such as road access, JRA shall be entitled to invoice the Owner for its on site personnel at the rate of \$65.00 per hour plus GST for regular hours and \$97.50 per hour plus GST for overtime hours and equipment charges including: tandem axle dump trucks at a rate of \$65.00 per hour and excavator at \$165.00 per hour plus fuel use surcharges.
5. That JRA will provide a support vehicle to transport personnel, equipment, supplies and materials to the job site at a flat rate of \$150.00 per day per truck plus GST which is included in the estimated haul rates.
6. The Owner shall provide daily direction and scope of work for the operators.
7. That JRA will invoice the Owner for the services provided on a bi-weekly basis.

8. That all invoices submitted shall be due and payable 30 days from the date of their submission. Unpaid invoices shall bear interest at the rate of 2% per month or 24% annually.
9. Any quality control and quality assurance such as survey, proctor density testing, compaction testing , or other consulting fees shall be provided at additional cost to the Owner.
10. JRA shall take all precautions in the performance of its work to protect the safety and health of employees and the public and shall comply with all safety and health measures initiated by the Owner and comply with all applicable laws, codes, ordinance rules, regulations and lawful orders of any public authority for the safety of persons or properties applicable to the jobsite. JRA shall be solely responsible for the protection and safety of their employees, for the final selection of all safety methods and means, for required safety reports and records, for daily inspection of its work area and its employees' safety equipment, and for the continual instruction of its employees on health safety, including daily safety meetings.

Any additional services and/or equipment requested over and above those outlined herein will be subject to separate pricing and agreement between the parties.

It is strongly advised that the Village of Buena Vista should acquire an engineering consultant to develop a design and specifications for proper road rehabilitation. At no time will JRA assume liability for design or construction of the road that was not properly surveyed, improperly designed, improper materials selection, or constructed improperly.

If you are in agreement with the terms as outlined herein, we would request that you kindly confirm your acceptance of these contractual arrangements by completing and returning back to us the acknowledgement in the form provided below.

**WEEKLY REPORT 2024-05-18**

**155 Lakeview Cres.** – The office received a report of nuisance barking at this address (see email). I spoke to the occupant and cautioned him to ensure their dogs were not permitted to cause a nuisance by barking or howling (video on file). I followed up by issuing warning # 469 for service by mail and on-going inspection. I spoke to the complainant by phone and they will be monitoring and journaling any further nuisance barking events going forward (audio on file).

**101 Grand Ave.** – I observed a small white dog (Papillion) at-large on Grand Ave. I then followed the dog home to 101 Grand Ave. where the occupant acknowledged it was his. He also had a Golden Retriever loose on the property. I cautioned him to ensure his dogs were not permitted at-large in the village (video on file). No action taken. Close file.

**161-6<sup>th</sup> St.** – Close file. No further action required.

**201-6<sup>th</sup> St.** – Upon inspection, the grass on this lot remains overgrown and in contravention of OTR #35. All statutory notifications have been executed on this property and the municipality is now authorized under s366, Municipalities Act to take any necessary action to bring the property into compliance with the order.

**243 Grand Ave.** (currently showing as non-compliant) - Upon inspection, all vehicles on this lot appear to be registered. There continues to be two non-compliant sheds on the front lot of this property. I will discuss this further with the office.

**100 Little Grand Ave.** - (currently showing as non-compliant) Upon inspection, a late model, red sedan remains on the lot (photo on file). It does not appear to be operative or registered. I will discuss this further with the office.

**Highway 54 / Main Access Road** – I observed a late model ½ ton truck with commercial signage, parked on parcel A, along the access road (photo on file). I will review the regulations for signage in this zone.

#### Presentations

*Regional Library Initiatives:* Morgan Kelly shared how we continue to enrich our patrons' lives with the latest and greatest projects including the winners of our friendly and fun new library card contest, the One Book, One Province initiative featuring the novel *Miss G and Me* by Jennifer S. Wallace, adaptations to our wireless Kajeet hotspots, another summer with regional park passes and additional facilitator opportunities with Foundations Learning (previously READSaskatoon). For more information on these library services and more visit [www.southeastlibrary.ca](http://www.southeastlibrary.ca).

#### 2023: A Year of new records at Southeast!

James Richards reported 2023 was the region's highest circulation year since 2002. **Circulation of physical items** went up over 11,000 items (3%), and **electronic items circulation** went up 27,500 items (18%). Overall, **total regional circulation** increased by 38,700 checkouts (8%). **Programs** were also record-breaking in 2023. 8,104 programs were held surpassing our 2022 record of 7,224 programs, an 11% increase. Each branch put on an average of 147 programs. **New library card users** increased by 3% in 2023 with a record number of card holders at 30,422. This is a 26% increase in library card holders since 2017. The 2024 goal is to get more people signed up and using their library cards.

#### 2025 Budget

As we plan for 2025 Southeast Regional Library is looking at an ~\$1.00 increase to the grant rate. This will be used for branch wages and ongoing inflation costs.

Summer season is here!

Things have certainly been getting busier in our communities. We are gearing up for the season and here are some of things the Lumsden RCMP Detachment have been or will be working on:

- Lumsden Detachment's Annual Community Consultative Group Meeting was held on Wednesday, March 20<sup>th</sup> at the Lumsden Detachment. It was nice to meet with many of our community leaders to discuss policing concerns and issues with our Detachment area. This meeting helps us with the planning and preparation of our policing activities for the year.
- We are arranging information sessions to be held at several of our communities. These sessions will contain presentation on fraudulent activities that are prevalent in society (email, phone scams, buyer beware, etc) We will coordinate these with the communities and arrange a suitable date and location.
- Similar to previous summers, we have scheduled a large number of high visibility traffic check stops within the Lumsden Detachment area. In 2023, Lumsden RCMP charged 36 motorists with Criminal Code Impaired Driving. In addition, 82 motorists had their driver's license suspended as a result of being over the legal limit of alcohol or drug. So far in 2024, 11 motorists have been charged with Criminal Code Impaired Driving and an additional 14 driver's have had their driver's license suspended.
- We will have extra resources in the area over the long weekends and will be visible in our communities throughout the summer. We have been issued a new boat and will be out on Last Mountain Lake consistently. If you have an event in your community this summer and would like someone from the RCMP to attend, please contact our office.
- A bike safety rodeo is being held at the Lumsden Elementary School in June to promote and teach young riders how to ride safely in their community.
- We see an increase in the number of ATV's, Side-by-Side and Golf Carts in the Detachment area. Our number one priority is public safety and will enforce applicable laws where users are not abiding by Provincial Acts and / or Municipal By-Laws pertaining to the safe operation of the vehicles.

We are pleased to introduce the newest member of the Lumsden Detachment. Cst. Noah Burgess graduated from Depot Division in April 2024 and has begun his first posting here at our detachment.

If you have any questions or concerns, please feel free to contact our detachment.

Regards,

*Dean Gherasim*
