- Road grading on dump road
- Locates for road repair on Highwood
- Trimmed trees on Highwood, Hillside, Greystone, Lakeview and 10th with sickle bar
- Culvert cleaning
- Curb stop turn ons

Water Treatment Plant

- Meter Reading for July billing
- Regular maintenance
- Backwash
- WTP furnace and natural gas install continued

Work Planning for this month & upcoming months:

- Planning of capital projects
- Complete tree trimming along roadsides
- Fire hydrants to be raised
- Complete ongoing training as time allows
- Curb stop Project – ongoing
- Work on SOP's for water breaks, etc.

In addition to the above, keep in mind that all staff have routine, day-to-day activities such as daily water testing, well testing/checks, booster station, garbage collection, service requests, meetings/discussions with CAO, shop & WTP cleaning, maintenance on equipment/vehicles, and on-call duties that also consume a significant amount of time.
