

JANUARY 2024

**** ALL NEW CUSTOMER PORTAL ** Beginning January 2024**

The *Customer Portal* provides residents the ability to view their Tax & Utility notices, receipts, current balances & Village communications. No more missed emails or misplaced paper copies. For your convenience, you can log on any time to view a notice or check your account balance.

All residents who are currently signed up for email notices will automatically be signed up for this exciting new program. If you currently receive regular mailed notices & would like to sign up for this, please complete an Authorization Form by visiting the office or emailing admin@buenavista.ca.

DOG LICENSING CHANGES

Watch for our new Animal Control Bylaw being adopted early in the New Year. Highlights include requiring a single lifetime dog license instead of requiring an annual renewal fee. Feel free to wait until after the new bylaw before licensing your fur baby this year.

STORAGE & SNOW REMOVAL

Your Village crew relies on your support so snow removal operations can be completed effectively & efficiently. Please:

- Avoid parking vehicles & storing vehicles, boats, trailers, etc. on streets & Village easements;
- When shovelling snow do not pile around fire hydrants & keep your snow on your property. Ensure snow storage does not impede safe sight lines for pedestrians & motorists. Residents & contractors who remove snow within private property must store that snow on that private yard & not on any Village property or any other private property; and
- No person, unless engaged by the Village, may conduct snow removal operations on Village streets or any other Village property.

Bylaw Enforcement steps will be undertaken as needed.

DOBSON PARK SKATING RINK OPEN

Don't forget to enjoy our skating rink which opened earlier in December. Our Parks & Rec volunteers open the warm-up shack between the hours of 10 am and 10 pm for your enjoyment. *(Note hours subject to change due to inclement weather.)*
