All other forms of payments must be made in the office before close of business at noon on December 24th.

## BI-WEEKLY GARBAGE COLLECTION

Ensure carts are out by 7:00 am & placed on Village right-of-way approx. 3' off roadway & out of snow plow path. Please ensure carts are moved back to your property by the end of collection day.

## KEEPING STREETS & EASEMENTS CLEAR

Your Village crew is getting prepared for winter weather that is inevitably going to come. Please ensure all vehicles, boats, trailers, etc. are off of streets & Village easements. If not removed, you may be subject to bylaw enforcement. The crew relies on your support so snow removal operations can be completed effectively & efficiently.

## NEW SANDER

The Village has a new sander for winter maintenance this year! While we had experienced problems with the sander last year, we have been able to work with warranty & have replaced it with a whole new model that we are hopeful will work better for us this winter!
