

## AUGUST 2023

### ANNUAL RATEPAYERS MEETING

Our annual Village of Buena Vista Ratepayers meeting will be held on August 7, 2023 at 7 pm at Regina Beach Memorial Hall. Please come down to hear what we have been up to, ask Village Council any questions you have and say hello to your neighbours

### OUTDOOR WATER USAGE CHANGES

Please pay attention to upcoming changes to our Outdoor Water Usage Bylaw over the next few weeks. Changes will be posted on our bulletin board, website and on Facebook.

### CHEMICAL USE IN VILLAGE

If you plan to spray pesticides or herbicides on your private property, ensure to **not** use these chemicals on Village or crown property. Please also be courteous and advise your neighbors before use just in case they have sensitivities or allergies.

### SUMMER RESIDENTS – WATER DISCONNECTIONS

As fall is quickly on the way and some of our residents have to leave early, here are a few reminders regarding summer water services:

1. It is your responsibility to call the office at 306-729-4385 with a minimum of 48 hours notice to make arrangements for turn off prior to September 30<sup>th</sup>.
2. Maintenance of your water meter is your responsibility. Please ensure you have disconnected it prior to blowing out any of your private lines to prevent damage to the meter.
3. Ensure the water meter is either completely drained or not allowed to freeze over the winter months. Any damage to the water meter from not winterizing them properly will delay turn on next spring. Any costs to repair the meter will be your responsibility.
4. If you remove your water meter from the village, you will have to send your final water meter reading via phone or email.
