EVEN HOUSE #'S	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

#### CONSERVE WATER

As temperatures rise in the summer, so does our water use!

Watering your lawn in the early morning or evening in the permitted timeframes will beat daytime evaporation.

Collect rainwater & use it for watering your flowers & garden.

Use mulch around your trees & plants to keep moisture longer & reduce your need to water as frequently.
